PRIVATE CLAIMS

Forty-five Bills Acted on Favorably in the House.

MR. PAYNE FOUGHT HARD

Members Stuck Together, However, and Voted Down All Opposition. Recess Taken When Quorum Was Lacking.

(By Associated Press.)

WASHINGTON, D. C., January 30.—This was the last private claim day in this Congress, and the members' bills on the calendar carried everything before them in the Committee of the Whole. Forty-five bills were acted upon favorably, despite the efforts of Mr. Payne, the Republican floor leader, Mr. Cannon and others to defeat some of them. Many of the claims were old, dating back to the Civil War, and a few originated prior to that time. The latter were for balances due for carrying mails in the South when the war broke out. Mr. Payne was particularly insistent in his opposition to these bills, calling attention to the exposure of the fraudulent character of many similar claims in the Forty-fifth Congress. He expressed the opinion that all these claims had been paid before.

STOOD TOGETHER.

The members interested stood together, however, and voted him down every time he demanded a division. There were several bills to reimburse postmasters and internal revenue collectors for stamps lost or stolen. One was to pay the balance on a contract for fuel furnished the army hospital in the Mississippi Valley during the war. The amount claimed was \$5,000, and for fuel at the rate of ninety cents a hundred pounds.

When the Committee of the Whole reported the bill to the House Mr. Payne blocked their final passage to-day by making the point of no quorum. But the friends of the claims refused to be balked. A motion was made to recess until to-morrow morning at 10:30 o'clock in order to continue the legislation the next day, and the sergeant-at-arms and his deputies were sent out to arrest and bring in absentees. It was 8 o'clock at night before the requisite quorum was secured to carry the motion, and the session 40 over until 10:30 to-morrow forenoon.

In the Senate.

WASHINGTON, D. C., January 30.—The Senate devoted the day to tributes to the memory of the late Senator McMillan, of Michigan. Among those who made addresses were Messrs. Morgan, of Alabama; Foster, of Louisiana; Tillman, of South Carolina, and Bacon, of Georgia.

REMAINED FOR MURDER

Two of Veronica's Crew Make Statement Implicating Others.

(By Associated Press.)

LIVERPOOL, Jan. 30.—The four seamen of the British bark Veronica brought here yesterday by the British steamer Brunawick were remanded to court on the charge of murdering Captain Shaw, two of his officers and four seamen of the Veronica.

Two of the prisoners have made a statement, implicating themselves and the others. Another of the accused men, William Smith, an American, who shipped at a Mississippi port, declares their statements are untrue.

FIRE AT RICHLANDS

Fifty Houses of the Clinch Coal and Iron Company Burned.

(Special to The Times-Dispatch.)

TAZEWELL, VA., January 30.—A destructive fire broke out this morning at Richlands, about twenty miles west of here and burned to the ground twenty houses of the Clinch Coal and Iron Company. The houses were occupied. All the occupants escaped. The houses were all situated in a row, and a heavy wind was blowing from the west. The house at the western end of the row caught first, it is supposed from an over-heated stove, and the flames swept the whole block without being checked, the town having no water works.

All the houses were occupied by people of moderate means, and the blow is a heavy one to them. Very little, if any, of their household goods were saved. The number of people made homeless is about 100. None of the houses were insured, and only one man, Jack Fisher, had insurance on his home.

Citizens of Richlands are taking care of the unfortunate. The destroyed property was built during the boom. Estimated loss is about \$12,000.

RAISE TOBACCO

May Take the Place of Peanuts and Cotton in Southeastern Virginia.

Tobacco will take the place of peanuts and cotton in Southeastern Virginia, if the plans of the Department of Agriculture succeed. Commissioner Kolner is introducing the culture of the weed there, and is sending out seed. He thinks the farmers will benefit by the change, for an acre of tobacco is worth considerably more than an acre of cotton or peanuts. If Mr. Kolner is successful this will be another good-sized belt in Virginia covered with tobacco. Moreover it will be bright tobacco.

It is interesting to note also that Mr. Kolner is experimenting at the test farm with Pennsylvania seed leaf, a cigar tobacco, and also with Cuban and Sumatra tobacco, which is grown under cover. Last year half came down with such force as to destroy the canopy covers, the tobacco and everything else, but the department goes back at it again this time. At the present time there is no cigar tobacco grown in Virginia.

MONTGOMERY, ALA.—A bill was passed by the House of Representatives to-day prohibiting the sale of cigarettes or cigarette paper in this State, by a vote of 60 to 35.

(By Associated Press.)

WASHINGTON, D. C., January 30.—The Senate devoted the day to tributes to the memory of the late Senator McMillan, of Michigan. Among those who made addresses were Messrs. Morgan, of Alabama; Foster, of Louisiana; Tillman, of South Carolina, and Bacon, of Georgia.
